

Preparation Guidelines of Galactography / Ductography

- ✓ ***Nipple Care:***
 - ***Do not squeeze your nipple before the exam.***
- ✓ ***Medication and Allergy Notification:***
 - ***Inform your physician about any medications you're taking and any known allergies, especially to barium or iodinated contrast materials.***
- ✓ ***Health Information:***
 - ***Notify your doctor of any recent illnesses or other relevant medical conditions.***
- ✓ ***Pregnancy Notification:***
 - ***Always inform your doctor or the x-ray technologist if there is any possibility that you might be pregnant.***
- ✓ ***Avoid Deodorants and Lotions:***
 - ***As with mammography, avoid wearing deodorant, talcum powder, or lotion under your arms or on your breasts on the day of the exam.***
- ✓ ***Clothing and Jewelry:***
 - ***You will be asked to remove all jewelry and clothing above the waist before the exam.***
