

Preparation Guidelines of Ultrasound Guided Breast Biopsy

✓ Clothing & Jewelry:

- *Wear comfortable, loose-fitting clothing.*
- *Remove clothing and jewelry near the area being examined.*
- *You may be asked to wear a gown during the procedure.*

✓ Medications:

- *Inform your doctor about all medications, including herbal supplements.*
- *Stop taking aspirin or blood thinners at least three days prior to the procedure.*
- *Disclose any allergies, especially to anesthesia.*

✓ Health & Support:

- *Notify your doctor of recent illnesses or other medical conditions.*
- *If sedated, arrange for someone to drive you home after the procedure.*
